PROGRAM DESCRIPTIONS

SENIOR AND NUTRITION SERVICES

Food Access

Assistance and support for many programs related to creating healthy and equitable food access.

a. Prepared Frozen Meals

AEOA delivers frozen meals to four homeless shelters and 12 food shelves across nine counties who provide food and support services to adults aged 18-60 and their dependents. Meals are prepared in AEOA commercial kitchens by ServSafe certified kitchen staff, assembled, packaged, then frozen. Program delivery staff deliver meals to sites using two refrigerated transit vans. This program ensures individuals experiencing food insecurity have access to nutritious meals, regardless of their circumstances.

Volunteer Driver Program

The Volunteer Driver Program assists individuals on Medical Assistance to get to and from medical appointments. Arrowhead Transit has contracts with four major insurance companies and with various counties in the area. The Volunteer Program encourages the individual to contact their insurance provider to see if they qualify for the program. The Volunteer Driver Program operates in ten counties including Aitkin, Carlton, Chisago, Cook, Isanti, Itasca, Koochiching, Lake, Pine, and St. Louis, and can perform medical rides in other counties in Greater Minnesota as requested by the insurance companies.
